PROGRAM AND APPLICATION GUIDE 
(Rev. 10.28.21)
PROGRAM OVERVIEW

The California Venues Grant Program ("Program") will support eligible independent live events venues that have been affected by COVID-19 in order to support their continued operation.

Eligible independent live events venues must have a physical address and operate in California, which will be validated through submitted business tax returns. If your business tax returns do not reference a California address, you will be deemed ineligible.

GRANT AWARD

Grants awarded under this Program shall be in an amount equal to the lesser of two hundred fifty thousand dollars ($250,000) or 20 percent of the applicant’s gross earned revenue in California for the 2019 taxable year.

THE APPLICATION PROCESS

- Eligible independent live event applicants shall complete a new and separate application for the grants allocated under this section even if they already have submitted an application for the California Small Business COVID-19 Relief Grant Program established in California Government Code Section 12100.83.

- If an eligible independent live event has been awarded a grant under the California Small Business COVID-19 Relief Grant Program established in California Government Code Section 12100.83, the amount of that grant will be subtracted from the grant amount to be awarded under this Program. If the grant amount awarded under the California Small Business COVID-19 Relief Grant Program is greater than the amount awarded under this Program, the eligible independent live event will not receive a grant under this Program.
PROGRAM OVERVIEW

• Eligible applicants will be processed in three (3) stages:
  o **Stage 1:** Applicants complete a web application through Lendistry’s Portal by providing basic information and uploading required selected financial documents, identification documents, and an Application Certification regarding accuracy and truthfulness of information submitted.
  
  o **Stage 2:** Applicants go through a preliminary validation process to determine if the business meets the program’s minimum eligibility requirements.

  o **Stage 3:** Applicants that are selected to move forward in the validation process will be requested to provide additional documentation.

• Lendistry will distribute grants on behalf of the State of California to selected, validated, and approved eligible businesses and nonprofits.
  
  o Applicants that are selected, validated, and approved for funding will receive an email notification from Lendistry directing them to their Grantee Agreement on Lendistry’s Portal dashboard. Applicants approved for funding will be able to execute their Grantee Agreement via DocuSign, an electronic signature platform, without leaving Lendistry’s Portal. The Grantee Agreement must be fully executed before funds are released via ACH wire transfer.

  o During the application process, you will be requested to link your business banking account to Lendistry’s Portal using Plaid, a third-party technology company which allows us to verify account information from your bank or credit union to an app like Lendistry’s Portal. Alternative verification methods are available, including if your banking institution is not available through Plaid.

P.O. BOX 2048
CONCORD, CA 94522

Date: SEP 26, 2016

Dear Applicant,

We're pleased to tell you we determined you're exempt from federal income tax under Internal Revenue Code Sec. 501(c)(3). Donors can deduct contributions they make to you under IRC section 170. You're also qualified to receive tax deductible surrogate gifts of cash or gifts under IRC section 502(a), 511, or 521. Your letter would help answer questions on your exempt status. Please keep it for your records.

Organizations exempt under IRC section 501(c)(3) are further classified as either public charities or private foundations. We determined you're a public charity under the IRC section listed at the top of this letter.

If we indicated at the top of this letter that you're required to file Form 990-PF, 990-EZ, or 990-N, or you're required to file an annual return (Form 990 or Form 990-EZ) or electronic notice (Form 990-N), if you don't file a required return or notice for three consecutive years, the IRS will automatically revoke your status.

If we indicated at the top of this letter that an annual audit is required, the enclosed schedule is an integral part of this letter.

For important information about your responsibilities as a tax-exempt organization, go to www.irs.gov/publications/irspub4304c.pdf. Click "4304C.pdf" in the search box, which describes your recordkeeping, reporting, and disclosure requirements.
